

The Dimplex Collection

# WALL-MOUNT

Electric Fireplaces

 Dimplex®

Dimplex® wall-mount electric fireplaces offer an innovative way to add ambiance to just about any space.

These sleek, space-saving designs solve any installation limitations as they do not take up any valuable floor space. They can be installed almost anywhere – simply plug into a standard household outlet and enjoy the warmth and romance of a fire.

- An ideal way to create a compelling feature in any room.
- A smart, practical and efficient zone heating solution, designed to warm up to 400 square feet.
- Built with exceptional attention to detail to ensure reliability and durability.

## How to hang a Dimplex wall-mount electric fireplace

**1** Select a space for your wall-mount electric fireplace near an electrical outlet. Choose a model that fits your space and matches your décor.

**2** Follow the assembly instructions which guide you through mounting the wall-bracket to your wall.

**3** Simply hang the fireplace on the wall-bracket, plug it in and enjoy.
