Billing Date Change

- ① Effective June 2024.
- ② Your bill will be arriving later in the month, closer to the 20th.
- ③ The billing period will stay the same (the 1st through the 1st of the prior month).
- ④ The due date will be pushed out later as a result.
- ⑤ Members enrolled in auto pay will continue to see their payment pulled on the due date, but that date will be later in the month as described above.
